

**THE ARTS SOCIETY BLACKWATER
VISIT TO THE HENRY MOORE FOUNDATION**

DATE: Wednesday 10th OCTOBER 2018

Continuing our break from central London venues we are pleased to give below details of the October 2018 visit. The Henry Moore Studio and Gardens was the home and workplace of the sculptor Henry Moore. Visitors are invited to go into the house (Hoglands) and to explore sculptures in the gardens and studios. Volunteers staff the studios and are very helpful and informative. The current exhibition 'Out of the Block' extends until the end of October and is an impressive collection.
